• MADE FROM 100% SUPERIOR QUALITY COTTON •

REDEFINING INDUSTRIAL CLEANING

Strength, efficiency, absorbency, versatility, affordability, and sustainability are the top qualities desired in an industrial cleaning product.

Recognized as the highest quality industrial grade product, Wonder Industrial Cleaning Cloth performs an extensive range of cleaning tasks across industries. The tough, flexible, resilient and absorbent cloth is preferred by engineers and industrial professionals for achieving superior cleaning.

WIDE-RANGING INDUSTRIAL APPLICATION

As a solid general use cloth, Wonder Industrial Cleaning Cloth is ideally suited for both janitorial and industrial cleaning applications. Being versatile and strong, the cloth delivers unmatched levels of cleanliness on the toughest of contaminants.

Our product is the ideal choice for a multitude of industrial cleaning applications including:

- ◆ Grease trap cleaning for machinery and equipment
- ◆ Cleaning of above ground and underground storage tanks, bins and other vessels
- ◆ Traps, sumps, trenches, pits, pipelines, pump stations, roofs, oil/water separators, and other manufacturing units
- ◆ Railcars
- ◆ Metal de-rusting
- ◆ Aqueous cleaning
- ◆ Fluxing & rust inhibiting
- ◆ Bright dipping/carbon removal
- ◆ Confined space entry locations

WHAT MAKES WONDER INDUSTRIAL CLOTH THE #1 SOLUTION?

- ◆ The product is compatible with most chemical solvents which eliminate the need for multiple cleaning products.
- ◆ A high degree of absorbency ensures pick up and release of solvents much more efficiently than textile products.
- ◆ Significantly reduced consumption of solvents
- ◆ Strong texture results in excellent oil and water absorption
- ◆ Reusable, resilient and highly durable makes the product an ideal replacement for rental towel and rags 100% high-grade pure cotton makes the product eco-friendly, safe and effective.
- ◆ Economical pricing makes the product the #1 choice for everyday heavy-duty industrial cleaning.

A LEGACY OF TOP QUALITY CLEANING SOLUTIONS

At SCS, we have developed our line of industrial cleaning cloths with utmost attention to the substantial duty cleaning needs of every industry and budget. We adhere to the most stringent quality standards while following industry best practices, which makes us the preferred partner across industries.

For over five decades, we have been offering the ultimate cleaning solutions for industries backed by an intuitive and in-depth understanding of the sector's specific needs.
