BRIEF HISTORY :

Sumer Chand & Sons has over 56 years of experience in efficiently manufacturing and distributing Non-Woven Fabric products for a variety of end uses across the world. Our current client base varies from Hotels, Restaurants, Banquets, Caterers, Pharmaceutical industries to myriad industries. Our success is a direct result of our strong commitment to provide the best service to our customers and to keep weaving and diversifying our product range to meet the emerging industry demands.

APPLICATIONS IN THE HOTEL INDUSTRY :

Sumer Chand & Sons is glad to introduce to you our range of Non-Woven Fabrics. The fabrics are manufactured using premium quality viscose and polyester materials, making them the perfect solution for both sanitation and style.

Our Non-Woven Fabrics are :

- Soft and skin-sensitive
- Chemical-free and lint-free
- Highly-absorbent
- Static-resistant and silicon-free
- Hard wearing and durable
- Eco-friendly
- Anti-bacterial

The Non-Woven Fabric products are extremely versatile and can be used in a variety of areas including:

- Food & Beverage maintenance
- Hotel sanitation
- Beauty and body care
- Industrial back-end application
- Room service and hotel cleaning
- Day-to-day residential and commercial use

OUR PRODUCTS :

SI No :	Product	Description
1.	5 Star	Soft and absorbent, perfect for light spills and grime.
2.	7 Star	Thick and durable non-woven fabric, designed for medium-to-intensive cleaning, smooth and highly-absorbent.
3.	9 Star	Beautiful and well-cut, designed for heavy-duty cleaning, extremely absorbent and able to withstand extensive usage.
4.	10 Star	Superior-quality soft fabric, fast absorbent and perfect to wipe-off all types of liquids, able to clean any type of dirt, grime and spillage, extremely hard-wearing, long-lasting and elegant. The best quality for premium hotels.

Each product in our range of Non-Woven Fabrics is designed and manufactured keeping in mind the bespoke requirements of the premier, luxury hospitality service providers. We understand that your clients deserve the best and we strive to provide superior-quality uncut Non-Woven Fabrics suited to the needs of luxury hospitality specialists across India.

SPECIFIC USES OF NON-WOVEN FABRICS :

Non-Woven Fabrics are extremely indispensable to the hospitality sector. They offer hospitality service providers a wide range of benefits:

Restaurants, resorts and hotels :

- Drape and decorate the furniture of your restaurant, resort and banquet halls with luxurious Non-Woven Fabrics and make your property an aesthetic wonderland
- Keep the entire property sanitised and healthy without using chemical agents by wiping-off stubborn stains with top-quality fabrics
- Eliminate the risk of infections by using anti-bacterial fabrics
- Reduce carbon footprint by choosing an eco-friendly fabric solution

Spas :

- Offer pure luxury and comfort with skin-friendly fabrics
- Implement heat and light-resistant fabrics in saunas, steam rooms and salons
- Eliminate dermatological infections by using anti-bacterial fabrics during sessions
- Easily dispose-off biodegradable fabrics post-session

SMOOTHER FABRIC
